<b>Controls</b>			
<input type="checkbox"/>	without controls		
<input type="checkbox"/>	controls (refer to controls list)		

<sup>1</sup> All parts are colour co-ordinated, however not all parts are available in the exact rail colours. If a part is not available in the desired colour, a white version is provided. For specific requests please contact Goelst Nederland B.V.;

<sup>2</sup> If no number of supports is mentioned, the number will be determined by Goelst;

<sup>3</sup> When ordering a system with bends, always provide a completed bending form (available at [www.goelst.com](http://www.goelst.com)).
