Controls

☐ without controls
☐ controls (refer to controls list)

[1] All parts are colour co-ordinated, however not all parts are available in the exact rail colours. If a part is not available in the desired colour,
a white version is provided. For specific requests please contact Goelst Nederland B.V.;
[2] If no number of supports is mentioned, the number will be determined by Goelst;
[3] When ordering a system with bends, always provide a completed bending form (available at www.goelst.com).
